

THE METAL INDUSTRY

WITH WHICH ARE INCORPORATED
THE ALUMINUM WORLD: COPPER AND BRASS: THE BRASS FOUNDER AND FINISHER
ELECTRO-PLATERS REVIEW

Volume 29

JANUARY—DECEMBER, 1931

THE METAL INDUSTRY PUBLISHING COMPANY
NEW YORK

ARTICLES ASTERISKED (*) ARE ILLUSTRATED

ARTICLES

A

Abrasive, Artificial	248
Abrasives, Testing Screens for	377
*Abrasives, The Properties of Aluminous	249
Abstracts of Electrochemical Society Papers	200
Airship Sold for Scrap, Giant British	526
"All Is Not Gold That Glitters"	122
*All-Metal Sectional Houses in Use in Germany	122
*Alloy, A New Silicon-Zinc-Copper	108, 155
Alloy, Cleaning Silver	118
Alloy Die-Cast Gears, Tests of Zinc	121
Alloy for Lead Pipe, Introduces New	156
Alloy, Removing Cadmium from	290
Alloys, Barrel Plating With Zinc-Cadmium	297
Alloys, Brass Valve	3
Alloys, Chromium-Gold	250
Alloys, Conference on Metals and	520
*Alloys, Die Pressing Brass and Copper	254
*Alloys, Electrodepositing Lead-Thallium	116
*Alloys, New Developments in Machining	60
Aluminum and Its	9
*Alloys, Nickel in Non-Ferrous	60
Alloys, Smelting Secondary Aluminum and	474
Aluminum	519
*Alloys, The Oxy-Acetylene Welding of Copper	424
and Aluminum and Some of Their	424
*Aluminous Abrasives, The Properties of	249
Aluminum	8
Aluminum and Aluminum Alloys, Smelting	519
Secondary	474
Aluminum and Brass, The Polishing of	208
Aluminum and Its Alloys, New Developments	60
in Machining	60
*Aluminum and Some of Their Alloys, The	424
Oxy-Acetylene Welding of Copper and	424
Aluminum, Brightening	71
Aluminum Car Used in Record Ascent	248
Aluminum Castings, Removing Sand from	187
*Aluminum, Chromium Deposits Directly on	243
Aluminum, Deplating	382
Aluminum, Distribution of	13
Aluminum, Electroplating	290
*Aluminum Foils, The Coloring of Tin, Tin	341
Lead and	468
Aluminum for Babbitting, Tinning	436
Aluminum from Cyanide Baths, Plating on	379
Aluminum in the Racing Automobile	379

Aluminum, Oxidized Metal Finishes	18
Aluminum, Removing Composition from	65
*Aluminum Sheet, Corrosion Exfoliations on	72
Aluminum Slabs, Foil from Oxidized	423
Aluminum, Soldering	163
*Aluminum, The Trend of	166
American Chemical Society Meeting	385
*American Electroplaters' Society Holds Annual	285
Convention	17
American Electroplaters' Society Research Fund	235
*American Electroplaters' Society, Rochester,	206
Host of the	430
Analyzing Chromium Solutions	333
Annealing Metals, Bright	194
Annealing of Metals, The Chemical Effect of	121
Gaseous Atmospheres in the Bright	209
Annual Foundrymen's Convention	121
Annual Meeting and Banquet, Los Angeles	207
Branch	247
Annual Open Meeting of the New York Platers	306
Annual Sessions, Electroplaters at Newark in	26
*Anode Rods	248
*Architectural Decoration, Metals in Modern	248
Articles, Prizes for Metal Industry	248
Artificial Abrasive	480
Ascent, Aluminum Car Used in Record	25
Ash Trays, Finishing	165
Associations in Times of Depression, Value of	430
Trade	113
Auto Generator for Plating Current	370
Automatic Preparation for Chromium	468
*Automatic Zinc Plating and Enamelling Pipe	470
Automobile, Aluminum in the Racing	438

B

Babbitting, Tinning Aluminum for	468
Background on Nickel, Black	470
*Ball Burnishing Hardware	438
Banquet, Los Angeles Branch Annual Meeting	200
and	297
Barrel Plating with Zinc-Cadmium Alloys	523
*Barrel Rolling and Plating	436
Baths, Plating on Aluminum from Cyanide	439
Batteries, Dry	201
Birmingham, The Electrochemists at	350
Bismuth Solution	470
Black Background on Nickel	254
*Brass and Copper Alloys, Die Pressing	254

*Brass Applied to Gating Problems, Deep Etch-	477
ing of	68
Brass, Bronze on	160
Brass, Casting	304
Brass, Cupola Melting of	292
Brass for Thermostat Springs	305
*Brass Foundries to Establish Correct Cost	302, 384
Methods	23
Brass Foundry Practice, The Fundamentals of	14
*Brass Foundry, Problems in the	521
*Brass Foundry, The	59
Brass Foundryman's Progress, A	290
Brass on Iron, Bright	14
*Brass Parts, Notes on the Manufacture of	191
Small	208
Brass Rod, Manufacturing	3
*Brass Rolling Mill, The	246
*Brass Sheet, Rod and Wire, From Clocks to	210
Brass, The Polishing of Aluminum and	439
Brass Valve Alloys	59
Brazing, Dip	71
*Bridge Cables, Zinc Coating Protects Hudson	526
River	158
Bright Annealing Metals	426
Bright Brass on Iron	471
Brightening Aluminum	63
British Airship Sold for Scrap, Giant	111
British Institute of Metals Meeting	64
British Institute of Metals Meeting	68
British Institute of Metals Meeting	335
Bronze, Corrosion Tests on	473
*Bronze, Cupola Melting of	26
Bronze Gears, Chilled	71
Bronze on Brass	119
Bronze Pressure Castings	394
Bronzes, Research in	71
Brush? Who Invented the Crimped Wire	152
Buff Simplification, Bureau of Standards Plan	438
for	71
Buffer Action in Nickel Plating Solutions	119
*Bullard-Dunn Process of Cleaning	394
Bureau of Standards Plan for Buff Simplification	71
"Burning" or Welding, Lead	152
*Burnishing Hardware, Ball	438

C

*Cables, Zinc Coating Protects Hudson River	210
Bridge	297
Cadmium Alloys, Barrel Plating with Zinc	297

*Metal Industry Prizes Awarded	164	Plating Silver on Plaster	68	Solutions, The Definition and Determination of	119
Metal on Glass, Mirrors by Deposition of	198	Plating Solutions, Buffer Action in Nickel	119	"Free Cyanide" in Electroplating	484
Metal Polishing	393	*Plating, The Cleaning of Metals Before and After	291	Sound of Metals	188
*Metal Polishing by Flexible Polishing Wheels	346, 388	Plating, Treating Steel Before	330	*Spin a Copper Tea Urn, How to	199
*Metal Producing Industries, The	4	Plating with Rare Metals	245	Spotting Out	382
*Metal Sectional Houses in Use in Germany, All	122	Plating with Zinc-Cadmium Alloys, Barrel	297	Standards, Electroplaters' Society Conference on Electroplating	17
Metal Standards, New Ingot	296	Plating's Largest Field is Industrial, Chromium	345	Standards for Electroplating	57
Metal Testing Reports	483	Platinum Output Facilities Greatly Expanded, World's	345	Standards for Zinc-Coated (Galvanized) Sheets	387
Metal, Tin Plate on White	520	*Polishing by Flexible Polishing Wheels, Metal	346, 388	Standards, New Ingot Metal	317
Metals and Alloys, Conference on	291	Polishing Equipment and Supplies, Plating and	486	Standards Plan for Buff Simplification, Bureau of	71
*Metals Before and After Plating, The Cleaning of	439	Polishing Grain, Master Samples of	74	Steel Before Plating, Treating	330
Metals, Bright Annealing	253	Polishing, Metal	393	Steel, Electroplating on Cold Rolled	390
Metals, Cement for	516	Polishing of Aluminum and Brass, The	208	Steel, Zinc Coatings for Structural	200
Metals, Centrifugal Coating of Non-Ferrous	103	Practice, The Fundamentals of Brass Foundry	302, 384	Sterling Silver, Tarnished	468
*Metals Division Meeting, Institute of	419	*Precious Metals, The	10	Structural Steel, Zinc Coatings for	200
*Metals Division Meeting, Institute of	419	*Pressing Brass and Copper Alloys, Die	254	Supplies, Plating and Polishing Equipment and	486
*Metals, Flying Would be Impossible Without	481	Pressure Castings, Bronze	335	Surface, Chromium as a Plating	195
Metals for Dairy Utensils	306	*Preventing Leaks in Lead Coated Pails	73	Survey of Progress in Metals	253
Metals for Thermocouples	193	Printing Surface, Chromium as a	195	Synthetic Resins	293
*Metals in Modern Architectural Decoration	306	*Prizes Awarded, Metal Industry	164		
*Metals in Unique Forms, Nonferrous	260	*Prizes for Electroplaters	343		
Metal Meeting, British Institute of	158	*Prizes for Metal Industry Articles	26		
Metal Meeting, British Institute of	426	*Problems in Electroplating and Finishing	24		
Metal Meeting, British Institute of	471	*Problems in Electroplating and Finishing	483		
Metals, Plating with Rare	245	*Problems of the Brass Foundry	23		
*Metals, Progress in Extruding	251	Problems of the Metal Industries	20, 67		
*Metals, Secondary	11	Process, A: Efficient Electroplating	529		
Metals, Sound of	148	*Producing Industries, The Bullard-Dunn	304		
Metals, Survey of Progress in	253	*Production of Non-Ferrous Ingots, Scientific	149		
Metals, The Chemical Effect of Gaseous Atmospheres in the Bright Annealing of	33	*Progress, A Brass Foundryman's	65, 378, 521		
*Metals, The Precious	10	*Progress in Electroplating	16		
Metals, The Romance of the Reclamation of	75	*Progress in Extruding Metals	251		
Method of Hot Zincing (Galvanizing) Wrought Iron	303	*Proofing of Iron, The Rust	249		
*Methods, Brass Foundries to Establish Correct Cost	429	*Properties of Aluminous Abrasives	118		
Milk Cans, Retinning	14	Protecting Nickel Plate	118		
*Mill, The Brass Rolling	377				
Mirror Backs, Coppering	198				
Mirrors by Deposition of Metal on Glass	520				
Molybdenum Plating	380				
*Molding in the Foundry, Calculations for	256				
Musical Instruments, Cleaning					

N

Newark in Annual Session, Electrotypers at	207	Racing Automobile, Aluminum in the	379
*New Developments in Machining Aluminum and Its Alloys	60	Rare Metals, Plating with	245
*New Ingot Metal Standards	517	Rebluing Firearms	483
*New Silicon-Zinc-Copper Alloy, A	108, 155, 198	Reclamation of Metals, The Romance of the	330
New York Platers, Annual Open Meeting of the Nickel at a Low pH, The Deposition of	121	Recovering Tin	75
Nickel, Black Background on	119	Refining Zinc	198
*Nickel in Non-Ferrous Alloys	470	Refrigerator Trays, Finishing	482
Nickel on Cadmium	9	Regulations, Chromium Plating	191
Nickel Plate, Protecting	74	Regulations, Revised Chromium Plating	295
Nickel Plating, Developments in Low pH	118	Rejects in Silver Plating	483
Nickel Plating Solutions, Buffer Action in	433	Removing Cadmium from Alloy	290
*Non-Ferrous Alloys, Nickel in	119	Removing Composition from Aluminum	68
*Non-Ferrous Ingots, The Scientific Production of	9	Removing Sand from Aluminum Castings	157
Non-Ferrous Metals, Centrifugal Casting of	149	Reports, Metal Testing	296
*Nonferrous Metals in Unique Forms	516	*Research Fund, American Electroplaters' Society	17
*Notes on the Manufacture of Small Brass Parts	260	Research in Bronzes	473
	58	Resins, Synthetic	293
		Retinning Milk Cans	429
		Revised Chromium Plating Regulations	295
		Revival, Plans for	513
		*Rivets, Cold Treating Duralumin	383
		*Rochester, Host of the American Electroplaters' Society	235
		*Rod and Wire, From Clocks to Brass Sheet	191
		Rod, Manufacturing Brass	200
		*Rods, Anode	247
		*Rolling and Plating, Barrel	523
		*Rolling Mill, The Brass	14
		Rolling Tin	289
		Romance of the Reclamation of Metals, The	75
		Rust Proofing of Iron, The	259

S

*Salt Cellars—Old and New	331	United Chromium Wins Patent Suit	465
Sand from Aluminum Castings, Removing	157	*Urn, How to Spin a Copper Tea	199
*Scientific Production of Non-Ferrous Ingots	149	Uses of Silver	337
Scrap, Giant British Airship Sold for	526	Utensils, Cadmium on Cooking	432
Screens for Abrasives, Testing	377	Utensils, Metals for Dairy	435
Secondary Aluminum and Aluminum Alloys, Smelting	474, 519		
*Secondary Metals	11		
Session, Electroplaters at Newark in Annual	207		
*Sheet, Rod and Wire, From Clocks to Brass	191		</
